1. When storms are getting closer
Towards our lovely land
The frontier-guard is waiting
And longing to defend

What we have built and raised
Can never be erased
The wind is cold, the clouds are dark
The battlefield is hazed

2. The ancient shady trees
surrounded by the borders
salute you like a friend
If you accept the orders

What we have built and raised
That cannot be erased!
The wind is cold, the clouds are dark
The battlefield is hazed

ref.: Though winds may blow
The sun is shining as you go
Worlds fall apart
But you stay brave inside your heart
Frontier-guard!
Though winds may blow
The sun is shining as you go
Worlds fall apart
But you stay brave inside your heart
Frontier-guard!
